Richfield Senior High
Alumni Newsletter

Volume 1, Issue 1
July 1998

What is this?

This publication is an attempt to discover if there is any interest among the alumni of Richfield Senior High in learning more about their high school and classmates. We plan to offer information on a variety of topics including reunion contacts, retirees, Where are grads now, and some interesting statistics about the classes of Richfield High School.

If it is to succeed, we will need your input. If you have any interesting news or stories to tell, please send them to the Office of the Superintendent, 7001 Harriet Ave S, Richfield MN 55423.

Alumni news may also be e-mailed to Deb Kraus at kraude@richfield.k12.mn.us.

This newsletter will be handed out at class reunions this summer and will be available as part of our alumni web page. Copies of the newsletter will be mailed to subscribers, who will be asked to make a donation to the Richfield Foundation-RPS Fund to help defray publication and mailing costs. See page 4 for more info about the RPS Fund.

Let's make this newsletter something to look forward to in the future. Send in lots of good information. Who knows, you may read about an old acquaintance and renew a friendship.
